

Go Green - Courtney Lights Energy Savings!

Courtney Lights is offering our "GREEN SANTA PROGRAM", guaranteed to reduce your energy consumption and put money back in your pocket - **all for the same price as your regular holiday lighting program!**

Ask about our **GO GREEN GUARANTEE** to:

1. **Save money by reducing watt usage,**
2. **Reduce your carbon footprint, and**
3. **Do the right thing and conserve energy.**

The Green Santa Program Includes:

- Full assessment of your property's power usage with your current holiday décor and display program
- Reduced wattage: lower electrical holiday consumption by as much as 50% to 80%
- Inspection and review of electrical layout

To guarantee savings, Courtney Lights Decorators must review your location's fourth quarter last year utility bills. Please contact a representative for complete program details and requirements.

Energy Savings Example

# of Bulbs (C9)	Incandescent Watt Usage	LED Watt Usage	ENERGY SAVINGS (Watts)
1,000	7,000	960	6,040
2,000	14,000	1,920	12,080
3,000	21,000	2880	18,120
4,000	28,000	3840	24,160
5,000	35,000	4800	30,200
